Prof. David Bardolet, Dean, SDA Bocconi Asia Center
Through the years, we’ve grown manifold and built programs that merge the global curriculum standards with local excellent practices. We’re proud to say that our educational institution represents the best of both worlds – international academic flavours with a strong local corporate network. Personalised to the Indian market - and Asia at large - we’ve further researched areas of intervention that are important for this region. Extracurriculars, cobranded certifications, and corporate networking will be part of your everyday activity on the premises, thus giving the students and executives an edge over most.
